

glasstec 2022:

Invitation to the glass technology live preview tour

Dear Sir or Madam,

Finally, the international glass industry will come together again in Düsseldorf, from 20 to 23 September. Many things have changed but the good things remain. As in previous years, glasstec offers its visitors a wide-ranging accompanying programme. The highlight of this programme will be the special show glass technology live (gtl).

We would like to invite you to an exclusive gtl preview tour, giving you the opportunity to see and learn about a selection of spectacular exhibits:

**glass technology live Preview Tour,
Meeting point: Press Centre, Administration Tower, 1st floor
on Monday, 19 September 2022, 3.00 pm**

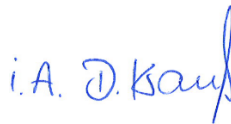

Please confirm your participation by getting in touch with Maria-Sophie Schulte (schultem@messe-duesseldorf.de) until 15 September 2022.

We look forward to meeting you and are always happy to answer any questions you may have!
