

Be a part of glasstec 2022: New hybrid offer!

glasstec 2022 will take place from September 20 - 23, 2022 at the exhibition center in Düsseldorf, Germany. We like to offer you the opportunity to present yourself with your trade media at the trade press stand on-site as well as the newly developed online trade press stand.

What do we offer?

On-site: Trade press stand

At the trade press stand, you have the opportunity to display up to 250 free copies of your trade magazines. Our stand staff will take care of the coordination and replenishment of the magazines.

Digital: New online trade press stand

The online trade press stand is a new digital offer from Messe Düsseldorf. Participation allows you to extend the presence of your trade media to our glasstec Portal. The trade press stand will be online six weeks before the start of the trade fair and also visible for three months after the end of glasstec 2022. To achieve the greatest possible awareness, the trade press stand will be online on the exhibitor, visitor and press pages.
