

## VISITOR TARGET GROUPS

### **Mechanical engineering**

- Manufacturers of machines for glass production / production technology – hollow glass
- Manufacturers of machines for glass production / production technology – flat glass
- Manufacturers of machines for glass production of other glass products
- Manufacturers of machines for glass processing and refinement
- Manufacturers of tools, spare parts and wearing parts
- Manufacturers of measurement and control technology for mechanical engineering
- Consulting / engineering for mechanical engineering

### **Industry: Glass manufacturing / glass processing / glass finishing**

- Manufacturers of hollow glass (household glass, container glass)
- Manufacturers of flat glass and coated / finished glass
- Manufacturers of glass fibres (textile glass fibres, glass wool)
- Manufacturers of technical and special glass (display glass, lighting glass, optical glass, optical glass fibres, special flat glass, solar glass, functional glass)
- Treatment and processing of flat glass (insulating glass, safety glass, laminated glass, building and furniture glass, automotive glass)
- Treatment and processing of special glass, technical glass, display glass

### **Manufacturers of windows / facades**

- Windows and window systems
- Facades and facade systems

### **Suppliers (for example, chemical industry) / Trade**

- Glass trade
- Construction elements / building materials trade
- Chemical Industry / Components

### **Crafts**

- Handcrafted glass finishing and processing
- Glass apparatus construction
- Window / facade construction
- Metal construction
- Interior design with glass
- Wood and plastic processing crafts
- Tile and fine-stone processing crafts
- Other glass processing handicrafts

### **Architecture + building industry**

- Architectural office
- Engineering and planning office
- Interior design / architecture
- Facade planning
- Trade fair and shopfitting construction

### **Miscellaneous**

- Environment and recycling
- Research institutions / technical schools / universities
- Press / media
- Public authorities / organizations
- Other services
